

ODIMAA ALLEN-HORSFALL

Lagos, Nigeria | odimaa.horsfall@gmail.com | LinkedIn: [in/odimaa-allen-horsfall](https://www.linkedin.com/in/odimaa-allen-horsfall)

Insight-driven Product Operations and Strategy professional with strong experience designing internal systems, building decision-ready reports, and translating data into operational and product improvements. Proven track record in CRM ownership, analytics dashboards, performance reporting, and cross-functional enablement across media-tech environments. Known for turning complex data into clear insights that guide leadership decisions, improve adoption, and optimize outcomes. Product-minded, systems-oriented, and highly effective in reporting-led roles that influence strategy and execution.

EDUCATION

Bangor University

Bangor, Gwynedd, United Kingdom

Bachelor of Science in Computer Science (2.1)

2013 - 2018

Relevant Coursework: Data Analysis, Software Engineering; Operating Systems; Algorithms; Artificial Intelligence

WORK EXPERIENCE

BellaNaija (Bella Online Media)

Lagos, Nigeria

Senior Insights & Technology Associate

Jan 2025 – Present

- Promoted to lead data, CRM, and internal tooling efforts across editorial, partnerships, and sales teams
- Own product operations and insights across internal tools, analytics, and reporting for editorial, partnerships, and sales teams.
- Led end-to-end implementation and adoption of Zoho CRM, including requirements scoping, pipeline design, workflow automation, user training, and rollout, achieving full team adoption within four weeks.
- Built and maintained executive-ready dashboards using GA4, Looker Studio, and Meta Business Suite for three high-traffic media platforms, reducing manual reporting time by approximately 60 percent.
- Designed recurring performance and campaign reports that synthesized traffic, engagement, and conversion data into clear recommendations for leadership and partners.
- Defined success metrics and KPIs for content and partnership campaigns, contributing to measurable engagement improvements of up to 25 percent.
- Acted as a bridge between editorial, commercial, and technical teams, ensuring insights translated into operational and product improvements.
- Authored internal documentation, onboarding guides, and walkthroughs to support long-term adoption of tools and reporting standards.
- Identified and executed cost-optimization opportunities across email infrastructure and internal tools without disrupting workflows.
- Supported SEO and mobile experience improvements through analytics-led evaluation and reporting.
- Contributed data-backed insights and reporting to strategic decks for major partnerships including BBNaija, eHealth Africa, and Goalkeepers.

BellaNaija (Bella Online Media)

Lagos, Nigeria

Ads Sales & Client Service Associate

Nov 2022 – Dec 2024

- Managed client pipelines across short-, medium-, and long-term horizons, supporting consistent month-over-month revenue performance.
- Built campaign tracking systems and reporting dashboards in Google Sheets to provide real-time visibility into performance and delivery.
- Produced post-campaign reports that combined quantitative metrics with qualitative insights to guide internal reviews and client conversations.
- Translated informal workflows into structured processes and documentation to support training and operational consistency.
- Coordinated cross-functionally with editorial and design teams to ensure brand-aligned execution and optimal content delivery
- Managed full campaign lifecycle including invoicing, payments, performance analysis, and reporting, ensuring closed-loop accountability.

PROJECTS

Monitoring & Evaluation Lead – [#HerMoneyHerPower](#) Campaign

July 2024 – Dec 2024

BellaNaija x The She Tank

- Led the monitoring and evaluation workstream for a large-scale women's empowerment campaign.
- Analyzed over 6,000 survey responses to extract behavioral and sentiment insights.
- Built social listening and reporting dashboards using Keyhole and Brand24 to track real-time engagement and hashtag performance.
- Produced post-campaign insight reports for internal leadership and funder-facing presentations, highlighting outcomes, learnings, and recommendations.

Campaign Management & Strategy – [#StopHPVForHer](#) Campaign

October 2024

BellaNaija

- Led M&E product workstream for women's empowerment campaign and analyzed 6,000+ survey responses to extract actionable insights
- Built social listening dashboards using Keyhole and Brand24 to track real-time hashtag engagement and sentiment
- Coordinated analytics reporting with NOIPolls Limited, enabling KPI-aligned content deployment
- Collaborated with design and content teams to create data-informed teaser videos, interactive posts, and real-time polls
- Authored post-campaign analysis reports with clear recommendations for internal debriefs and funder presentations

Media Strategy & Insights Consultant

May 2024 – June 2024

KA Robinson Holdings - Progressive Cultural Media Project

- Researched and evaluated 50+ media platforms using structured scoring criteria to identify properties with strong cultural resonance in Black communities
- Created audience personas to inform investment decisions and product strategy for media acquisitions
- Analyzed reach, engagement patterns, and influence metrics, presenting clear insights around relevance, scalability, and audience trust
- Designed and delivered strategic pitch deck that outlined findings, recommended next steps, and guided high-level acquisition decisions
